Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents / carers.

The Directors of the Trent Academies Group are committed to providing the best education for all and will endeavour within reason and as funding resources allow, ensuring that all activities offered wholly or mainly during the academy day are available to all students, regardless of their respective parent's/carer's ability to pay. However, Directors reserve the right to request voluntary contributions from parents/carers and in the event of insufficient funding, to cancel an activity.

Responsibilities

The Board of Directors are responsible for determining the content of this policy and the Academy Head teacher for implementation. Any determination with respect to individual parents will be considered jointly by the Head teacher and Local Governing Body.

Trips, Visits and Activities

- Trent Academies Group charge for all visits (see above for exclusions) unless they are local and with no costs.
- The Trip/Visit/Activity Leader will be responsible for costing of the Trip, Visit or Activity and calculation of the charge per pupil. This charge must not exceed the actual cost of the activity, divided equally by the number of pupils participating. It must not include an element of subsidy for pupils wishing to participate whose parents are unwilling or unable to pay the full charge. Where contributions exceed cost by £15 per pupil a reimbursement will be offered. Smaller surpluses and deficits are expected to offset each other.
